## FOR IMMEDIATE RELEASE

### **CANDIDATE FOR LARAMIE COUNTY SHERIFF STATEMENT ON RITTENHOUSE TRIAL AND VERDICT**

Cheyenne, Wyoming – Kyle Rittenhouse was acquitted of all charges on November 19, 2021. Charges that were filed in that case that was a result of the riots in Kenosha, Wisconsin on August 25, 2020. Rittenhouse shot three individuals who attacked him and tried to kill him. The case was followed closely by residents of Laramie County, Wyoming and has been a topic of discussion for some months.

James Barth, conservative candidate for Laramie County Sheriff, issued the following statement to the community on November 20, 2021.

- The jury deliberated carefully and thoroughly and decided that Kyle Rittenhouse acted in self-defense and was found not guilty of all charges and was released from custody forthwith. This case was conducted by a legal court with a jury of Americans. Evidence presented was clear that Rittenhouse acted in self-defense.
- The prosecution poorly constructed a case that stated that no one should be able to defend themselves when attacked with deadly force. The prosecution failed and justice was served.
- Citizens across the nation followed this case in support of the defense and their own Second Amendment rights. Many were concerned that, in spite of unquestionable evidence, that fear of mob reprisals would influence the jury. This fear has evidenced itself in other high profile cases and cities burned and citizens were killed. Thankfully this judge and jury did not cave to the woke mob culture that is pervasive in our legal system.
- We have seen today that justice was served and the justice system avoided placing an otherwise innocent man in prison.
- Let's never forget that our men in women in Law Enforcement will stand strong to serve and protect, and that our nation's laws prevailed today and in fact, justice was served.

*James Barth, a Constitutional Republican candidate for Laramie County Sheriff supports citizens' rights to self-defense and a fair and speedy trial. Barth pledges to protect all citizen's Constitutional rights.*
